To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Second Substitute Senate Bill No. 6518 entitled:

“AN ACT Relating to reducing prenatal exposure and harm to children by limiting environmental exposure to certain pesticides.”

Circumstances have changed dramatically since the 2020 supplemental operating budget was approved by the Legislature last month. The COVID-19 pandemic is having catastrophic effects on the health and welfare of Washingtonians. It will also have a major impact on the economic health of our state. I have conferred with leaders in the House of Representatives and Senate, and we agree that we must prepare for the effects of the lost revenue that will result from this pandemic.

For these reasons I have vetoed Engrossed Second Substitute Senate Bill No. 6518 in its entirety.

Respectfully submitted,
